Dear Mark,

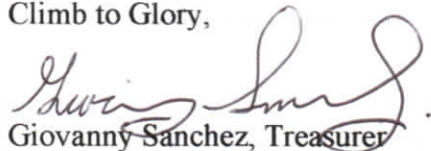

Thank you for your generous donation of \$1,000.00 via Pay-Pal on October 10, 2021, which we have credited to the National Association's Scholarship Fund held by the Northern New York Community Foundation in accordance with your instructions.

Since 2007, the Scholarship Program has awarded 136 scholarships totaling \$543,250.00 to well qualified and deserving Association members, their spouses, or their children.

In 2021, we awarded 26 scholarships totaling \$55,750.00. The scholarship amount ranges from \$1,250 to \$5,000.

Our Soldiers and their family members very much appreciate this support. You have done something very noble by making this donation, because it lets our Soldiers, and their family members know that their sacrifices and service is appreciated by those they serve.

Climb to Glory,
