#GoldenGophers: Minnesota will make its 23rd all-time bowl appearance (10-12) and fourth under **Head Coach P.J. Fleck** (3-0). The Golden Gophers will be making their first appearance in the Pinstripe Bowl, becoming the eighth different Big Ten team to play in the game (in eight games of the bowl's partnership with the conference). It will also mark Minnesota's first appearance at either the original or current Yankee Stadium.

Minnesota has won each of their last five bowl games since 2015 and will participate in their 18th bowl game in the last 24 seasons (since 1999). The Golden Gophers reached the AP Top 25 plateau this season (No. 21), their first AP ranking since the 2020 season (also No. 21). Minnesota (8-4, 5-4 Big Ten) won four of their final five regular season games, clinching bowl eligibility with their 20-13 win at Nebraska on November 5th.

The Golden Gophers run-heavy offense ranked second in the Big Ten in 2022 with 548 attempts, 2,621 rushing yards, 32 touchdowns and averaging 218.4 rushing yards per contest. Sixth-year senior **running back Mohamed Ibrahim** was among the top rushers in the country, earning All-Big Ten First Team honors. He ranked second in the FBS in yards per game (144.9), tying for second in rushing touchdowns (19), third in rushing attempts (304) and fourth in rushing yards (1,594). Redshirt senior **tight end Brevyn Spann-Ford** played a large role in Minnesota's passing attack, recording a team-high 40 receptions for 481 yards and two touchdowns.

On the defensive side, Minnesota boasted one of the best units in the country, allowing just 13.3 points per game, the fourth-best mark among FBS schools. The Golden Gopher defense also ranked second nationally in touchdowns allowed (16), third in total points allowed (160) and fifth in total yards allowed per game (279.5) and total yards allowed (3,354). Senior **cornerback Tyler Nubin** earned All-Big Ten Second Team honors, collecting a team-high four interceptions (tied for third in Big Ten), while also tying for second on the team with 37 solo tackles and ranking third with 55.0 total tackles. Fifth-year senior **linebacker Mariano Sori-Marin** led the team with 78.0 total tackles and 38 solo tackles, while also tying for the team lead with 4.5 tackles for loss.

#Orange: Syracuse, led by **Head Coach Dino Babers**, will make its 27th all-time bowl game appearance (16-9-1) and third in the Pinstripe Bowl. Syracuse becomes the first program to participate in the Pinstripe Bowl three times and will be the seventh different ACC team to play in the contest in the eight years of the bowl's partnership with the conference. The Pinstripe Bowl will mark the program's first bowl game since the 2018 Camping World Bowl. Looking to continue a sustained run of success, the Orange have won each of their last four bowl games since the 2010 season, six of their last seven since the 1999 season and 13 of their last 16 since the 1989 season. Reaching as high as No. 14 in the AP Top 25 this season, their highest ranking since 2018 (No. 12), Syracuse (7-5, 4-4 ACC) clinched bowl eligibility after defeating then-No. 15 NC State, 24-9, on October 15.

The high-tempo Orange offense collected 4,399 total yards (1,714 rushing; 2,685 passing). In his first full year at the helm, junior **quarterback and co-captain Garrett Shrader** finished fourth in the ACC with a 154.6 passing efficiency and sixth in the conference with 2,725 total yards, passing for 2,310 yards and 17 touchdowns and rushing for 415 yards with seven touchdowns. Sophomore **tight end Oronde Gadsden II** earned All-ACC First Team honors, setting single-season program records at the tight end position for receptions (54) and receiving yards (891, sixth in ACC), while also catching six touchdowns (tied for sixth in ACC).

Syracuse's defense allowed just 22.7 points per game this season and 338.8 total yards per game (both fifth-lowest in the ACC). Junior **linebacker and co-captain Mikel Jones**, who finished second on the team with 84.0 total tackles and 41 solo tackles and third with 7.0 tackles for loss, landed on the All-ACC Third Team. Sophomore **linebacker Marlowe Wax** led the Orange with 89.0 total tackles, 52 solo tackles and 10.5 tackles for loss.

Syracuse has a rich history of collegiate matchups in the Bronx, as the Orange defeated Pittsburgh, 3-0, in the inaugural college football game at the original Yankee Stadium on October 20, 1923. In total, Syracuse participated in six games at the original Yankee Stadium, winning five of those contests. This year's Pinstripe Bowl will mark Syracuse's fourth game at the current Yankee Stadium. The Orange are the only two-time winners in Pinstripe Bowl history, defeating Kansas State, 36-34, in the inaugural edition in 2010 and topping West Virginia, 38-14, in 2012. Most recently, then-No. 12 Syracuse played then-No. 3 Notre Dame in a regular season matchup on November 17, 2018, falling to the Fighting Irish, 36-3.

ORIGINAL YANKEE STADIUM FOOTBALL HIGHLIGHTS:

- » November 12, 1928 "Win one for the Gipper"
George "The Gipper" Gipp was a first-team All-American at Notre Dame before dying at the age of 25 of streptococcal throat infection just days after leading Notre Dame to a win over Northwestern. While on his hospital bed he received a visit from Coach Knute Rockne before his team's showdown against Army. At halftime of a scoreless game, Rockne urged his squad to win it for Gipp, inspiring the Irish to a 12-6 win at Yankee Stadium.
- » November 9, 1946 "Heisman Showdown"
Second-ranked Notre Dame and top-ranked Army played perhaps the most thrilling contest of their historic rivalry, a 0-0 tie made legendary by John Lujack's well-chronicled saving tackle of Cadet star running back Doc Blanchard late in the game. The contest featured four Heisman Trophy winners (Doc Blanchard, Glenn Davis, Johnny Lujack, Leon Hart).
- » December 28, 1958 "The Greatest Game Ever Played"
The Baltimore Colts won the NFL championship in the first overtime game in NFL history, defeating the New York Giants 23-17.
- » December 10, 1972 "Dolphins Remain Perfect"
With their 23-13 win over the New York Giants, the Miami Dolphins improved to 13-0 en route to a perfect 17-0 season.
- » September 12, 1987 "Final college football game played at the original Yankee Stadium"
The final Whitney M. Young Urban League classic was the last football game ever played at the original Yankee Stadium, with Central State University of Ohio defeating Grambling, 37-21.
