On Saturday, August 7th, 2021, the 8th Annual Orangeeyes Golf Tournament will be held at Foxfire Golf Course in Baldwinsville, NY to honor the memory of Dan “Orangeeyes” Johnson. There will be a guest speaker, silent auctions, raffles, prizes & a 50/50 raffle to follow. All proceeds will benefit the Western & Central New York Chapter of the Crohn’s & Colitis Foundation.

Dan passed away on July 12th, 2014, of complications from Ulcerative Colitis after dealing with the challenges of that disease for many years.

Dan loved people and would do anything he could to make them smile and make their lives better. Dan was an avid follower of Syracuse University sports and the New York Yankees. He loved and excelled at golf, softball and tennis.

It is our goal to raise money for those who suffer from these conditions and to pay tribute to Dan. We are seeking monetary donations and donations to be raffled at the event. We thank you for any contributions you can make.
